EXPECTED REMUNERATION: \$50,000 p.a. + benefits*

Our 'Let It Shine' Child Care project has emerged from the expressed need for high quality infant and toddler care in our Victoria neighbourhood of Gordon Head. Located in, and strongly supported by, the Anglican Parish of St. Dunstan's, we have a sun-lit, newly updated space waiting to provide safe and comfortable care and rich learning opportunities.

Consultations with VIHA and established childcare programs have informed significant upgrades to our physical setting to ensure safety, accessibility and comfortable surroundings. We are eager to see our space become an active place of care and learning!

We now require the knowledge and creative energy of two or more ECEs who are fully licensed by the BC Government, at least one of whom has the additional Infant Toddler Specialization. Our educator(s) will plan and provide care and early learning activities and be responsible for a range of administrative duties, supported by our volunteer Board of Directors. Additional staffing by way of an assistant may also be considered.

We'd love to explore our shared potential! Please see our website for more details:
